Cry for me baby  
Cry for us all  
Cry it all away all night long  
Cry for me  
Cry, cry for me  
Cry for me, cryCry for me angel, Cry for us all  
Do it for me cause we gotta be strong oh  
Cry for me, Cry, Cry for me  
Cry for me, Cry, Cry for me  
Cry for me, Cry, Cry for meCry for me, Cry  
Cry for me, Cry, Cry for me  
Cry for me, Cry  
Cry for me baby  
Cry for us all  
Cry it all away all night longCry for me, Cry, Cry for me  
Cry for me, Cry, Cry for me  
Cry for me, Cry for me  
Cry for me, Cry for me  
Cry for me, Cry for me  
Cry for me, Cry for meBaby, Baby I've bee numb to long  
Your cries, they hypnotize, They lead me home  
So take the pain and scream out for us all  
Cause baby, baby, I've been numb too long  
(So baby just cry)Cry for me baby  
Cry for us all  
Cry it all away all night long  
(Cry for me)  
Cry for me, Cry, cry for me  
Cry for me, Cry  
Cry for me angel cry for us all  
Do it for me cause we gotta be strong  
Cry for me, Cry, cry for me  
Cry for me, Cry, cry for me
