My Best Friend

Tim McGraw

I never had no one
That I could count on
I've been let down so many times
I was tired of hurtin'
So tired of searchin'

Till you walked into my lifeIt was a feelin' I'd never known And for the first time, I didn't feel aloneYou're more than a lover

There could never be another

To make me feel the way you do

Oh, we just get closer

I fall in love all over

Every time I look at you

I don't know where I'd be

Without you here with me

Life with you makes perfect sense

You're my best friend

You're my best friend, oh yeahYou stand by me

And you believe in me

Like nobody ever has

When my world goes crazy

You're right there to save me

You make me see how much I have

And I still tremble when we touch

And oh the look in your eyes

When we make love

You're more than a lover

There could never be another

To make me feel the way you do

Oh, we just get closer

I fall in love all over

Every time I look at youI don't know where I'd be

Without you here with me

Life with you makes perfect sense

You're my best friendYou're my best friendYou're more than a lover

There could never be another

To make me feel the way you do

Oh, we just get closer

I fall in love all over

Every time I look at youI don't know where I'd be

Without you here with me

Life with you makes perfect sense
