

Fire

Raghav

Sometimes I'm hot, sometimes I'm not.
Tonight I'm ready, ready to rock.
No sitting home, all alone-not tonight,
Tonight I'm in the zone.Cause I'm on fire, fire, fire, fire, fire tonight.
I'll take you higher, higher, higher, higher, higher tonight.
Cause I'm on fire baby burn it up.
I'm on fire baby burn it up.
I'm on fire, fire, fire, fire, fire tonight.And we go burning s**t down (down) (oh)
And we go burning burning down (down...) (woah-oh)
And we go burning s**t down (down...)
Come lose yourself, just be a freak.
I ain't go judging, get out you see.
No use in bringing, your troubles through the door.
Come join me, I'm tearing up the floor.
Cause I'm on fire, fire, fire, fire, fire tonight.
I'll take you higher, higher, higher, higher, higher tonight.
Cause I'm on fire baby burn it up.
I'm on fire baby burn it up.
I'm on fire, fire, fire, fire, fire tonight.And we go burning s** t down (down) (woah-oh)
And we go burning burning down (down) (woah-oh)
And we go burning s**t down (down) (woah-oh)
And we go burning burning down (down) (woah-oh)I paid my dues. I done my time.
So turn up the heat now, I'm burning tonight.
I paid my dues. I done my time.
So turn up the heat now, I'm burning tonight...
Cause I'm on fire, fire, fire, fire, fire tonight.
I'll take you higher, higher, higher, higher, higher tonight.
Cause I'm on fire baby burn it up.
I'm on fire baby burn it up.
I'm on fire, fire, fire, fire, fire tonight.And we go burning s**t down (down) (woah-oh)
And we go burning burning down (down) (woah-oh)
And we go burning s**t down (down) (woah-oh)
And we go burning burning down (down) (woah-oh)
