

# Later Bitches

## The Prince Karma

What the hell do you mean  
I've got to wait in line?  
This is complete and total bullshit!  
If I show you my tits  
Would you let me in?  
Can you just  
Just take another drink with me?  
Thanks!  
Later Bitches!!!  
Oh my god!  
This is like  
This is like the best song ever!  
I just  
I just love it so much!  
Shit!  
I don't feel so good...  
I shouldn't have had that last shot!  
Later Bitches!!!  
Oh my god!  
I'm so horny right now...  
I shouldn't have said that out loud  
I'm not like wearing any underwear...  
So, you know...  
Can I have another shot?  
Hey, before we get out of here  
Can you...  
Can you just do me one favor?  
Can you say...  
Later Bitches!!!
