

Can I Get to Know You Better

The Turtles

Everybody says, "Be strong" but I just can't take it
Every time I look at you, I feel funny inside, yeah
I've been meaning to ask you this for such a long long time
Can I get to know you better? Got to
get to know you better
Can I get to know you better tonight?
I know that you think of me as just a friend
But you don't know how friendly I can be, yeah
I want so much to prove my love, baby, give me half a chance
Can I get to know you better?
Got to get to know you better
Can I get to know you better tonight?
I know that you think of me as just a friend
But you don't know how friendly I can be, yeah
I want so much to prove my love, baby, give me half a chance
Now I don't think I can go
another day without you
(Without you)
One little kiss will tell me what I wanna know 'bout you
It ain't gonna hurt you; come on baby
Can I get to know you better? Got to get to know you better
Can I get to know you better tonight?
I know that you think of me as just a friend
But you don't know how friendly I can be, yeah
I want so much to prove my love, baby, give me half a chance
I want so much to prove my love, baby, give me half a chance
