Shadow

Birdy

Woke up to the music of your heart Saying I, I Caught up in the wishing that it lasts Saying I, IOnly you ever make me scared Cause only you can take me thereSo wherever you go I'm your shadow Desert to ice flow I will follow Wherever you go I'm your shadow I'm your shadowAh, ah, ah, ah, ah Ah, ah, ah, ah, ah There beneath your body when it wakes Saying I, I Hiding under every step you take Saying I, IOnly you ever make me care Cause only you ever made me dareSo wherever you go I'm your shadow Desert to ice flow I will follow Wherever you go I'm your shadow I'm your shadow I'm your shadowI know, I know, I know Everywhere you move You stay, you go, you change I am far too So wherever you go I'm your shadow Desert to ice flow I will follow Wherever you go I'm your shadow So wherever you go I'm your shadow Desert to ice flow I will follow Wherever you go I'm your shadow I'm your shadow Song Discussions is protected by U.S. Patent 9401941.
