

Heart

Pet Shop Boys

Every time I see you something happens to me

...

like a chain reaction between you and me

...

My heart starts missing a beat

My heart starts missing a beat

every time

Oh oh oh, every time

...

If I didn't love you

I would look around for someone else

but every time I see you

you have the same effect

My heart starts missing a beat

My heart starts missing a beat

every time

Oh oh oh, every time

...

Every time I hear your heart beat next to me

...

I'm in love with you

I mean what I say

I'm in love with you

and you don't know

what it means to be with you

...

Every time I see you

...

no matter what we do

there's a strange reaction

...

Can you feel it too?

My heart starts missing a beat

My heart starts missing a beat

every time

Oh oh oh, every time

Oh oh oh

Every time I hear your heart beat next to me

...

I'm in love with you

I mean what I say

I'm in love with you

and you don't know
what it means to be with you
Oh oh oh, every time
...
Oh oh oh, every time
...
