## Pentatonix

I was following the  
I was following the  
I was following the  
I was following the  
I was following the  
I was following the  
I was following the  
I was following the  
I was following the I was following the pack

With scarves of red tied round their throats To keep their little heads

All swallowed in their coats  
With scarves of red tied round their throats To keep their little heads  
From falling in the snow  
And I turned round and there you go And, Michael, you would fall  
And turn the white snow red as strawberries  
In the summertime I was following the pack  
All swallowed in their coats  
With scarves of red tied round their throats  
To keep their little heads  
From falling in the snow  
And I turned round and there you go And, Michael, you would fall  
And turn the white snow red as strawberries  
In the summertime
