

# For You

Gavin James

Well maybe I'll forget  
Or maybe I won't  
I'm stuck in the moments  
And so far from home  
Cuz' loving nobody  
It's breaking my heart  
But you'll never know this  
Where ever you are Well maybe I don't give up easily  
But I know this is hard to see  
But I wish time would slow down  
So I could keep your heart around  
If I can make you stay another day  
Or wait another day for you  
For you Well maybe I'm love drunk  
I wish that I didn't know  
What you would say if time would slow down  
So I could keep your heart around  
If I can make you stay another day  
Or wait another day for you Well maybe I don't give up easily  
Oh but I know this is hard to see now  
Oh but I know time won't slow down  
So I can't keep your heart in my hands  
Oh but maybe if you stay a little while  
You might feel like I do  
And for you
