

Dirty Black Summer

Danzig

No summer in the winter-time
will keep you warm
like a funeral pyre.
And nothing
like an august night,
drenched in your loving.
I got a dirty
black summer
Oo'
Yeah, my dirty black summer
Oo'
Yeah, gimme black summer
Oo'
Yeah, my dirty black summer
And nothing
in the coolest light
can't stop the walking out across the line
No holding back the summer night
I got a feeling
It's just a dirty black summer
Oh whoa whoa ho
a black summer-time
Oh whoa whoa!
Dirty black summer
Oo'
Yeah, my dirty black summer
Oo'
Yeah, gimme black summer
Oo'
Yeah, my dirty black summer
Hey, come on baby
Dirty black summer
Oo'
Yeah, my dirty black summer
Oo'
Come on gimme black summer-time
Yeah, my dirty black summer
No summer in the winter-time
will keep you warm
like a funeral pyre
Nothing drips like an August night
I got a feeling
I'm on a dirty black summer

Oh whoa whoa ho
Ohh! My summer-time
Oh whoa whoa ho
Yeah! My summer-time
Oh whoa whoa ho
Ohh! My summer-time
Oh whoa whoa ho
My dirty black summer
Oo'
Yeah, my dirty black summer
Oo'
Yeah, gimme black summer
Oo'
Yeah, my dirty black summer
Uh!
Yeah, gimme black summer-time
Uh!
Yeah, my dirty black summer
Oo'
Hey, gimme black summer
Uh!
Yeah, my dirty black summer
Oo! Yeah!
