

Believer

Ozzy Osbourne

Watching time go and feeling belief grow
Rise above the obstacles
People beseech me
But they will never teach me
Things that I already know
I know Dreams that I have shattered
May not have mattered
Take another point of view
Doubts will arise though
Like chasing a rainbow
I can tell a thing or two
That's true
You've got to believe in yourself
Or no one will believe in you
Imagination like a bird on the wing
Flying, free for you to use
OK baby I can't believe they stop and stare
And point their fingers doubting me
Their disbelief suppresses them
But they're not blind
It's just that they won't see
I'm a believer, I ain't no deceiver
Mountains move before my eyes
Destiny planned out I don't need no handout
Speculation of the wise
