

# Angels Cry

Mariah Carey

I shouldn't have walked away  
I would've stayed  
if you said we could've made everything okay  
but we just  
through the blame back and forth.  
We treated love like a sport  
the final blow hit so low I'm still on the ground.  
I couldn't have prepared myself for this fall. Shattered in pieces curled on the floor. Supernatural  
love conquers.  
Remember we used to touch the sky.  
And lightning don't strike.  
The same place twice.  
When you and I  
Said goodbye  
I felt the angels cry.  
Cause true loves a gift.  
But we let it drift  
In the storm.  
Every night  
I feel the angels cry.  
Come on babe can our love be revived. Bring it back and we gon' make it right.  
I'm on the edge just trying to survive.  
As the angels cry.  
Limitless omnipresent kind of love  
Couldn't have guessed it, would just stop  
And disappear, in a world where  
Here I am  
Walking on this narrow road.  
Wobbling but won't let go.  
Waiting for a glimpse of the suns glow.  
I know I can stand just pull me back up. Like there aint a hurricane its just us.  
I'm willing to live and die for our love.  
Baby we can get back that shine.  
And lightning don't strike.  
The same place twice.  
When you and I said goodbye  
I felt the angels cry.  
Cause true loves a gift.  
But we let it drift In the storm.  
Every night  
I feel the angels cry.  
Come on babe can our love be revived.

Bring it back and we gon' make it right.  
I'm on the edge just trying to survive.  
As the angels cry.  
Baby I'm missin' you  
Don't allow love to lose We gotta ride it through  
I'm reaching for you  
Baby I'm missin' you  
Don't allow love to lose We gotta ride it through  
I'm reaching for you  
And lightning don't strike.  
The same place twice.  
When you and I  
Said goodbye  
I felt the angels cry.  
Cause true loves a gift.  
But we let it drift  
In the storm.  
Every night  
I feel the angels cry.
