

Nicety

Michel'le

(Intro: x6)

Nice and... (James Brown:) ("Nasty! ")

(Ho!) ("HEY! ")("Make it sound good") ("HEY! ") (Verse 1: Michel'le (Dr. Dre))

You know I can never do

Things that, you want me to

The way I appear to you

May not be true to you

So don't get your hopes too high

And don't be like other guys (Yeah, baby I'm a get you)

Assuming that every girl is just like that type

(Oh, is that right?)

Mennn...

(Hey baby, what's your name?)

Runnin' the same ol' sayin'

(Excuse me, honey, but is your husband married?)

(talking:) No more questions, no more games(Chorus:)

Some people think I'm nice

Some people think I'm nasty

But if you really want to know

Just ask meeeeeeee...

And I'll say I'm nicety

Hooooo-hoooo-hoooo, say I'm nicety(interlude: x2)

Nice and... ("nasty") ("HEY! ")

(Verse 2: Michel'le (Dr. Dre))

You said you would treat me right

And I'd never be alone

(talking:) But men'll say anything

Just to try to take you home (Yeah, I know that's right)

But don't get your hopes too high

'Cause I've got to keep it tight

And that's the way it will stay

Until I feel it's right (Oh, is that right?)Mennn...

(Hey, don't I know you from somewhere?)

Runnin the same ol' sayin

(Yo, you comin over? I PROMISE I won't try anything)

(talking:) No more questions, no more games(Chorus)Nicetyyyyyyy...

It's got to be nicety

Hooooo-hoooo-hoooo, say I'm nicety

Nicety-eeeeeee...

You can call me nicety

...

Some people think I'm nice

Some people think I'm nasty
But if you really want to know
Just ask MEEEEEEEEEE...
And I'll say I'm -(Dr. Dre:)
Nicety, or whatever you wanna call it
Ask my opinion and I think that all it is
Is just an excuse to givin the boots
For dollar and cents, and remain innocent
Dre with the Ruthless Attack, check it
'Cause all that you talkin about ain't Jack!
Step off of that, try a new approach
You get smoked because I ain't no joke
Yeah, yeah...(interlude: x2)
Nice and... ("nasty") ("HEY! ")You can call me nicety
Just say I'm nicety
You can call me nicety
Nicetyyyyyy...
Just call me nicety
Hooooooo-hooooooo-hoooo, just call me nicety
Nicetyyyyyyy...
