

The Kids from Yesterday

My Chemical Romance

Well now this could be last of all the rides we take
So hold on tight and don't look back
We don't care about the message or the rules they make
I'll find you when the Sun goes black And you only live forever in the lights you make
When we were young, we used to say
That you only hear the music when your heart begins to break
Now we are the kids from yesterday All the cameras watch the accidents and stars you hate
They only care if you can bleed
Does the television make you feel the pills you ate?
Or every person that you need to be?
'Cause you only live forever in the lights you make
When we were young, we used to say
That you only hear the music when your heart begins to break
Now we are the kids from yesterday Today
Today We are the kids from yesterday Today
Today Here we are and we won't stop breathing
Yell it out 'till your heart stops beating We are the kids from yesterday
Today
'Cause you only live forever in the lights you make
When we were young, we used to say
That you only hear the music when your heart begins to break
Now we are the kids from yesterday
We are the kids from yesterday
We are the kids from yesterday
We are the kids from yesterday
Today
Today.
