

# The Kids from Yesterday

## My Chemical Romance

Well now this could be last of all the rides we take  
So hold on tight and don't look back  
We don't care about the message or the rules they make  
I'll find you when the Sun goes black And you only live forever in the lights you make  
When we were young, we used to say  
That you only hear the music when your heart begins to break  
Now we are the kids from yesterday All the cameras watch the accidents and stars you hate  
They only care if you can bleed  
Does the television make you feel the pills you ate?  
Or every person that you need to be?  
'Cause you only live forever in the lights you make  
When we were young, we used to say  
That you only hear the music when your heart begins to break  
Now we are the kids from yesterday Today  
Today We are the kids from yesterday Today  
Today Here we are and we won't stop breathing  
Yell it out 'till your heart stops beating We are the kids from yesterday  
Today  
'Cause you only live forever in the lights you make  
When we were young, we used to say  
That you only hear the music when your heart begins to break  
Now we are the kids from yesterday  
We are the kids from yesterday  
We are the kids from yesterday  
We are the kids from yesterday  
Today  
Today.
