## Try

## **Nelly Furtado**

All I know

Is everything is not as it's sold

But the more I grow the less I know

And I have lived so many lives

Though I'm not old

And the more I see, the less I grow

The fewer the seeds the more I sowThen I see you standing there

Wanting more from me

And all I can do is tryThen I see you standing there

Wanting more from me

And all I can do is...

Try

Try

I wish I hadn't seen all of the realness

And all the real people

Are really not real at all

The more I learn, the more I learn

The more I cry, the more I cry

As I say goodbye to the way of lifeI thought I had designed for meThen I see you standing there

Wanting more from meAnd all I can do is try

Then I see you standing there

I'm all I'll ever be

But all I can do is.

TryOhoh try, try, try

All of the moments that already passed

We'll try to go back and make them last

All of the things we want each other to beWe never will be

We never will be

And that's wonderful

And that's life

And that's you, baby

This is me, baby

And we are, we are

We are, we are, we are

Free

In our love

We are.

Free in our love
