

# Sentimental Lady (New Stereo Version)

[Bob Welch](#)

You are here and warm  
But I could look away and you'd be gone  
'Cause we live in a time  
When meaning falls in splinters from our lives  
And that's why I've traveled far  
'Cause I come so together where you are Yes, and all of the things that I said that I wanted  
Come rushing by in my head when I'm with you  
Fourteen joys and a will to be merry  
All of the things that they say are very  
Sentimental gentle wind  
Blowing through my life again  
Sentimental lady, gentle one (All I need is you)  
Sentimental gentle wind  
Blowing through my life again  
Sentimental lady, gentle one Ooh, sentimental lady Yes, and all of the things that I said that I  
wanted  
Come rushing by in my head when I'm with you  
Fourteen joys and a will to be merry  
All of the things that they say are very Sentimental gentle wind  
Blowing through my life again  
Sentimental lady, gentle one (All I need is you)  
Sentimental gentle wind  
Blowing through my life again  
Sentimental lady, gentle one (All I need is you)  
All of the things that I said that I wanted  
Come rushing by in my head when I'm with you  
Fourteen joys and a will to be merry  
All of the things that they say are very (All I need is you) All of the things that I said that I  
wanted  
Come rushing by in my head when I'm with you  
good.
