

If It Wasn't For You

Alesso

I was alone
I was made of stone
You took me home
We built a world
A world for us
We flew like birds
A new beginning
It's better
Better
Better
You are keeping me together
Gether
Gether
You know that I will never
Never
Ever
Try to pull you down
Down
Loved
Loved
Loved
You can always be here
I'll take cover
You know that I will never
Never
Ever
Leave you all alone
I'd be nothing if it wasn't for you...
If it wasn't for you...
I was a fool
Always keeping a distance
If I'd ever know
You found a way
I thought I always stayed the same
Because of you
I saw a new beginning
It's better
Better
Better
You are keeping me together
Gether
Gether
You know that I will never
Never
Ever
Try to pull you down
Down

Loved

Loved

Loved

You can always be here

I'll take cover

You know that I will never

Never

Ever

Leave you all alone

I'd be nothing if it wasn't for you...

If it wasn't for you...

I'd be nothing if it wasn't for you...

I'd be nothing if it wasn't for you...
