

# If It Wasn't For You

## Alesso

I was alone  
I was made of stone  
You took me home  
We built a world  
A world for us  
We flew like birds  
A new beginning  
It's better  
Better  
Better  
You are keeping me together  
Gether  
Gether  
You know that I will never  
Never  
Ever  
Try to pull you down  
Down  
Loved  
Loved  
Loved  
You can always be here  
I'll take cover  
You know that I will never  
Never  
Ever  
Leave you all alone  
I'd be nothing if it wasn't for you...  
If it wasn't for you...  
I was a fool  
Always keeping a distance  
If I'd ever know  
You found a way  
I thought I always stayed the same  
Because of you  
I saw a new beginning  
It's better  
Better  
Better  
You are keeping me together  
Gether  
Gether  
You know that I will never  
Never  
Ever  
Try to pull you down  
Down

Loved

Loved

Loved

You can always be here

I'll take cover

You know that I will never

Never

Ever

Leave you all alone

I'd be nothing if it wasn't for you...

If it wasn't for you...

I'd be nothing if it wasn't for you...

I'd be nothing if it wasn't for you...
