

Empire State of Mind

Lang Lang, Andra Day, Vinnie Colaiuta, Dan Lutz, Peter
Illenyi & Hungarian Studio Orchestra

Grew up in a town,
That is famous as a place of movie scenes
Noise is always loud
There are sirens all around
And the streets are mean
If I could make it here
I could make it anywhere
That's what they say
Seeing my face in lights
Or my name in marquees found down on Broadway
Even if it ain't all it seems
I got a pocket full of dreams
Baby, I'm from
New York, concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York
These streets will make you feel brand new
Big lights will inspire you
Hear it for New York, New York, New York
On the avenue, there ain't never a curfew
Ladies work so hard
Such a melting pot on the corner selling rock
Preachers pray to God
Hail a gypsy cab
Takes me down from Harlem to the Brooklyn Bridge
Someone sleeps tonight with a hunger
Far more than an empty fridge
But I'm going to make it by any means
I got a pocket full of dreams
Baby, I'm from
New York, concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York
These streets will make you feel brand new
Big lights will inspire you
Hear it for New York, New York, New York
One hand in the air for the big city
Street lights, big dreams, all looking pretty
No place in the world that can compare
Put your lighters in the air
Everybody say yeah, yeah
