

# Preacher Man Blues

Gary Moore

I was walking down the street one day  
Saw a preacher man coming my way  
Took me aside and he said to me  
"Better wash away your sins down in Galilee" And I said "oh wee, Lord have mercy on me  
Oh wee, Lord have mercy  
Oh wee, Lord have mercy on me  
Lord have mercy on this wicked man" A preacher man said to me  
"Don't try to blame no one else  
'Cause after all is said and done  
The only one to blame is yourself" And he said " oh wee, Lord have mercy on you  
Oh wee, Lord have mercy  
Oh wee, Lord have mercy on you  
Lord have mercy on this wicked man"  
Preacher man took my hand  
Said "let me lead you to the promised land  
Take my advice and listen to me  
You better wash away your sins down in Galilee" And he said " oh wee, Lord have mercy on  
you  
And he said " oh wee, Lord have mercy on you  
Oh wee, Lord have mercy  
Oh wee, Lord have mercy on you  
Lord have mercy on your wicked soul" Lord have mercy  
Lord have mercy On your wicked soul  
On your wicked soul  
On your wicked soul Lord have mercy  
Lord have mercy  
Lord have mercy  
Lord have mercy  
Lord have mercy on your wicked soul  
On your wicked soul  
Lord have mercy  
Lord have mercy on your wicked soul.
