

# Time to Start

## Blue Man Group

It's time to start  
Rock concert movement number one  
The basic head bob  
Ready go  
Rock concert movement number two  
The one armed fist pump  
Ready go  
In a moment it will be time to execute  
rock concert movement number three  
The up and down jumping motion  
Here are your instructions  
Step one: Bend your knees and then jump into the air  
Step two: Let gravity bring you back down  
and upon landing rock your head forward  
Step three: Repeat  
Ready go  
It's time to start  
Rock concert movement number four  
The behind the head leg stretch  
Ready go
