

I Want Your Sex

Zoé

I Want Your Sex Things that you get,
things that you know
boys you can trust
girls that you dont
new things to hide
this new things
that you should sometimes think youre gonna get'em
but you dont and
thats just the way it goes.
i swear i wont tease you
wont tell you no lies
i dont need no bible just look in my eyes
i waited so long baby now that we're friends
everymen got his patience
and here is where mine ends
i want your sex
i want your love.
I really like to fly
i really love to know
when you tell me
youre gonna be clairdance
i swear i wont tease you
wont tell you no lies
i dont need no bible just look in my eyes
i waited so long baby i need
i cant take much more
cause im loosing control
