

# Death of Me

## Red

I should've seen all the signs around me  
But I was comfortable inside these walls  
So go ahead and take another piece of me now  
While we all bow down to you You tear me down  
And then you pick me up  
You take it all  
Untill there is not enough You try to tell me you can heal me  
But I'm still bleeding  
And you'll be the death of me  
How can you love my friction  
If you're the sickness and i'm the cure  
Too long I'll fake this addiction  
Another sacrifice to make us pure  
You tear me down And then you pick me up  
You take it all  
Untill there is not enough  
You try to tell me you can heal me But I'm still bleeding  
And you'll be the death of me  
You tear me down  
And then you pick me up  
You take it all  
Untill there is not enough  
You try to tell me you can heal me  
But I'm still bleeding  
And you'll be the death of me  
I won't forget  
I cannot forget this  
I won't forget  
I'll never forget this  
I won't forget  
I cannot forget this  
I won't forget I'll never forget this  
I WON'T FORGET  
I CANNOT FORGET THIS  
I WON'T FORGET I'LL NEVER FORGET THIS  
I WON'T FORGET  
I CANNOT FORGET THIS  
I WON'T FORGET I'LL NEVER FORGET No I can never approve this illusion  
You are the one that I thought you were So learn to abrange this illusion  
I will separate the stops you blew  
You tear me down  
And then you pick me up

You take it all  
Untill there is not enough  
You try to tell me you can heal me  
But I'm still bleeding  
And you'll be the death of me  
And you'll be the death of me  
I won't forget  
I cannot forget this  
And you'll be the death of me
