The Point of No Return

Andrew Lloyd Webber, Gerard Butler & Emmy Rossum

DON JUAN (PHANTOM) You have come here in pursuit of your deepest urge, in pursuit of that wish, which till now has been silent. silent . . . I have brought you, that our passions may fuse and merge in your mind you've already succumbed to me dropped all defences completely succumbed to me now you are here with me: no second thoughts, you've decided, decided . . . Past the point of no return no backward glances: the games we've played till now are at an end . . . Past all thought of "if" or "when" no use resisting: abandon thought, and let the dream descend . . .What raging fire shall flood the soul? What rich desire unlocks its door? What sweet seduction lies before us . . .?Past the point of no return, the final threshold what warm,

unspoken secrets will we learn? Beyond the point of no return . . . AMINTA (CHRISTINE) You have brought me to that moment where words run dry, to that moment where speech disappears into silence. silence . . .I have come here, hardly knowing the reason why . . . In my mind, I've already imagined our bodies entwining defenceless and silent and now I am here with you: no second thoughts, I've decided, decided . . .Past the point of no return no going back now: our passion-play has now, at last, begun . . . Past all thought of right or wrong one final question: how long should we two wait, before we're one . . .?When will the blood begin to race the sleeping bud burst into bloom? When will the flames, at last, consume us . . .?BOTH Past the point of no return the final threshold the bridge is crossed, so stand and watch it burn . . . We've passed the point

of no return . . .== Headline text ==
