

Say It to My Face

Madison Beer

[Intro]

Tell me, what's the situation?
I've been rackin' on my brain
Just want some answers if I ask you
But I know you'll never say it to my face

Say it to my face[Verse 1]
'Cause I've been up in the night
Just tryna be honest

But you're cuttin' the corners though
Holding on close to your pride

You got a good reputation
But it's no revelation

When you've been runnin' all over town
Making a fool of me now

[Pre-Chorus 1]

Tell me, tell me, tell me
Baby, what's the situation?
I've been rackin' on my brain
Just want some answers if I ask you
But I know you'll never say it to my face

Say it to my face

Tell me, tell me, tell me[Chorus 1]

Tell me, what's your allegation?

You're accusing me of something

I don't wanna be mistaken

If I ask you, will you say it to my face?

Say it to my face

Tell me, tell me, tell me

[Verse 2]

'Cause you've been bluffin' behind

Dude, this isn't about you

You're in it just like I thought you

Can't look me straight in the eye

Too intimidated

But it's no revelation

When you've been runnin' all over town

You're making a fool of me now[Pre-Chorus 2]

Tell me, tell me, tell me

How you got me so frustrated

When you ask me to be patient

Not convicting you with nothing

I'm just asking you to say it to my face

Say it to my face
Tell me, tell me, tell me[Chorus 2]
Tell me, what's your allegation
You're accusing me of something
I don't wanna be mistaken
I'm just asking you to say it to my face
Say it to my face
Tell me, tell me, tell meTell me, what's the situation?
Make me come to your location
I'm not good with confrontation
I'm just asking you to say it to my face
Say it to my face
Tell me, tell me, tell me[Outro]
Tell me, what's the situation?
I've been rackin' on my brain
Just want some answers if I ask you
But I know you'll never say it to my face
Say it to my face
Tell me, tell me, tell me
