

# Roundabout

## Yes

I'll be the roundabout  
The words will make you out 'n' out  
I spend the day your way  
Call it morning driving thru the sound and in and out the valleyThe music dance and sing  
They make the children really ring  
I spend the day your way  
Call it morning driving thru the sound and in and out the valleyIn and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see I'll be there with you  
I will remember you  
Your silhouette will charge the view  
Of distance atmosphere  
Call it morning driving thru the sound and even in the valleyIn and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see I'll be there with youAlong the drifting cloud the eagle  
searching down on the land  
Catching the swirling wind the sailor sees the rim of the land  
The eagle's dancing wings create as weather spins out of handGo closer hold the land feel  
partly no more than grains of sand  
We stand to lose all time a thousand answers by in our hand  
Next to your deeper fears we stand surrounded by a million years  
I'll be the roundabout  
The words will make you out 'n' out  
I'll be the roundabout  
The words will make you out 'n' outIn and around the lake  
Mountains come out of the sky and they stand there  
Twenty four before my love and I'll be thereI'll be the roundabout  
The words will make you out 'n' out  
You spend the day your way  
Call it morning driving thru the sound and in and out the valley  
In and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see I'll be there with you
