

# Sometimes

## Badfinger

Sometimes, I'm only waiting for your smile  
Sometimes, I'll only wait a while  
Sometimes, a feeling makes me wanna cry  
Tell me why Sometimes, I'm fooling, playing for my time  
Sometimes, the days are always fine  
Sometimes, a cloudburst puts me out of line  
It's a crime

CHORUS:  
There's always tomorrow, the end of your sorrow and pain  
(Oo pain, sorrow and pain)  
(Oo pain, sorrow and pain)

There's always a reason you always believed in my soul (in my soul)  
(guitar solo (Joey Molland))

CHORUS  
Yeah

REPEAT VERSE 1  
Gotta find out why (find out why)  
Tell me why  
Find out why.
