

# Ecstasy

jj

Fall back and touch the night  
And reach for the blinding light  
Cause everybody says that we're too young to see  
We know that we're brave enough to be In the state of ecstasy  
In the place we're meant to be  
In the state of ecstasy  
There is only you and me Break through from the other side  
And lead me to Paradise  
Cause nothing but love can take us away from here  
Ever time I close my eyes, we disappear  
In the state of ecstasy  
In the place we're meant to be  
In the state of ecstasy  
There is only you and me Uh uuh, eh eh  
Uh uuh, eh eh  
Uh uuh, eh eh  
Uh uuh, eh eh  
In the state of ecstasy  
In the place we're meant to be  
In the state of ecstasy  
There is only you and me
