Bring the Noise

Anthrax

Bass!

How low can you go? Death row, what a brother knows Once again, back is the incredible The rhyme animalThe incredible D, Public Enemy, number one "Five-O" said "Freeze!" and I got numb Can I tell 'em that I really never had a gun But it's the wax that the terminator X spunNow they got me in a cell, 'cause my records, they sell 'Cause a brother like me said, "Well... ...Farrakahn's a prophet and I think you ought to listen To what he can say to you, what you ought to do" Follow for now, power of the people, say "Make a miracle, D, pump the lyrical" Black is back, all in, we're gonna win Check it out, yeah y'all, c'mon, here we go againTurn it up! Bring the noise (x2)Never badder than bad, 'cause the brother is madder than mad At the fact that's corrupt as a senator Soul on a roll, but you treat it like soap on a rope 'Cause the beats in the lines are so dopeListen for lessons I'm saying inside music That the critics are blasting me for They'll never care for the brothers and sisters Now across the country has us up for the warWe got to demonstrate, come on now They're gonna have to wait 'til we get it right Radio stations, I question their blackness They call themselves black, but we'll see if they'll play this Turn it up, bring the noise (x2)Get from in front of me, the crowd runs to me My deejay is warm, he's X, I call him Norm, ya know He can cut a record from side to side So what, the ride, the glide should be much safer than a suicideSoul control, beat is the father of your rock 'n' roll Music for whatcha, for whichin', you call a band man Makin' a music, abuse it, but you can't do it, ya know You call 'em demos, but we ride limos tooWhatcha gonna do? Rap is not afraid of you Beat is for Sonny Bono, beat is for Yoko Ono Run-DMC first said a DJ could be a band Stand on its own feet, get you out your seatBeat is for Eric B and L. L. as well, hell Wax is for Anthrax, still I can rock bells ever Forever, universal it will sell Time for me to exit, Terminator X-itTurn it up, Bring the noise (x2)From coast to coast, so you stop being like a comatose Stand my man? The beat's the same with a boost-toast

Rock with some pizazz, it will last, why you ask? Roll with the rock stars, you'll never get acceptedAs we got to plead the fifth, we can investigate Don't need to wait, get the record straight Hey, posse's in effect, got Flavor Terminator X to sign checks, play to get paidWe got to check it out down on the avenue A magazine or two is dissing me and dissing you Yeah, I'm telling you...
