Not About Angels

Birdy

We know full well there's just time So is it wrong to dance this line? If your heart was full of love Could you give it up?'Cause what about, what about angels They will come, they will go and make us special Don't give me up Don't give me upHow unfair it's just our luck Found something real that's out of touch But if you'd searched the whole wide world Would you dare to let it go?'Cause what about, what about angels They will come, they will go, make us special Don't give me up Don't give me up 'Cause what about, what about angels They will come, they will go and make us special It's not about, not about angels Angels Song Discussions is protected by U.S. Patent 9401941.
