

You Can Close Your Eyes

Carole King & James Taylor

Well the sun is surely sinking down, but the moon is slowly rising.
So this old world must still be spinning round and I still love you. So close your eyes, you can
close your eyes, it's all right.

I don't know no love songs and I can't sing the blues anymore.
But I can sing this song and you can sing this song when I'm gone. It won't be long before
another day, we gonna have a good time.
And no one's gonna take that time away. You can stay as long as you like. So close your eyes,
you can close your eyes, it's all right.

I don't know no love songs and I can't sing the blues anymore.
But I can sing this song and you can sing this song when I'm gone.
