

# Done Da Da

## Massari

Miss fatty fatty call me murdah  
Best believe what you heard-ah  
Dem a know we coming back to put the word out  
Eh-eh-eh  
Miss fatty fatty call me murdah  
Best believe what you heard-ah  
Dem a know we coming back to put the word out  
Eh-eh-ehYour body criminal just like a killer  
Keep her undercover while she lying on a pillow  
Says she wanna do it in the ocean by the villa  
I know what you want, baby, I'ma get it done  
Get it, get it, get it  
Shots of martinis, says I want it  
Champagne (?) while we pourin'  
I know what you workin' when you drop it on the floor  
I'ma hit it one time then you will be done da da  
Miss fatty fatty call me murdah  
Best believe what you heard-ah  
Dem a know we coming back to put the word out  
Eh-eh-eh  
Miss fatty fatty call me murdah  
Best believe what you heard-ah  
Dem a know we comin back to put the word out  
Eh-eh-ehSee me drinking body shots of that tequila  
Shorty got that milkshake, got me tasting that vanilla  
Looking around the world and you won't find nobody illa  
I know what you want, baby, I'ma get it done  
Get it, get it, get itShots of martinis, says I want it  
Champagne (?) while we pourin'  
I know what you workin' when you drop it on the floor  
I'ma hit it one time you will be done da da  
Miss fatty fatty call me murdah  
Best believe what you heard-ah  
Dem a know we coming back to put the word out  
Eh-eh-ehMiss fatty fatty killin' it, you never heard-ah  
Takin' all the money when she twist and she turn killin' with that body, make you hot 'til you  
burn-ah  
Come put the word out, you call her murdahLet me try to cuff her body, hit it one time  
Call me, Mr.lover, will we do it all night?  
Cause I get it done da da, then I'm leaving alright  
Give you no lie, give you, give you no lie-ayMiss fatty fatty call me murdah  
Best believe what you heard-ah

Dem a know we coming back to put the word out  
(Eh, eh, eh)  
I'ma hit it one time, one time, done da da  
Miss fatty fatty call me murdah  
Best believe what you heard-ah  
Dem a know we coming back to put the word out  
(Eh, eh, eh)  
I'ma hit it one time, one time, done da da
