Sad Statue

System Of A Down

Conquest to the lover And your love to the fire

Permanence unfolding in the absolute

Forgiveness is the ultimate sacrifice

Eloquence belongs to the conqueror

The pictures of time and space are rearrangedIn this little piece of typical tragedy

Justified candy, Brandy for the nerves

Eloquence belongs to the conqueror

You and me

We'll all go down in history

With a sad Statue of Liberty

And a generation that didn't agree

You and me

We'll all go down in history

With a sad Statue of Liberty

And a generation that didn't agree

I forgot to

I forgot to let you know that Justified candy, Brandy for the nerves
Eloquence belongs to the conqueror Conquest to the lover And your love to the fire
Permanence unfolding in the absolute

Forgiveness is the ultimate sacrifice Eloquence belongs to the conqueror

You and me

We'll all go down in history

With a sad Statue of Liberty

And a generation that didn't agree

You and me

We'll all go down in history

With a sad Statue of Liberty

And a generation that didn't agree

Generation

What is in us that turns a deaf ear to the cries of human suffering

Suffering, suffering now

You and me

We'll all go down in historyWith a sad Statue of Liberty

And a generation that didn't agree

You and me

We'll all go down in history

With a sad Statue of Liberty

And a generation that didn't agree

Generation
