

# Seeing Is Believing

Alan Silvestri

Seeing is believing  
And in my arms I see her  
She's here, really here  
Really mine now  
She seems at home here  
Seeing is believing  
I dreamt that it would be her  
At last life is full  
Life is fine now  
Whatever happens, one thing is certain  
Each time I see a train go by  
I'll think of us  
The night, the sky, forever  
Seeing is believing  
My life is just beginning  
I'm touched and my head won't stop spinning  
From winning her love  
He's young, very young  
But a feeling...  
I feel I know him  
Seeing is believing  
And I like what I see  
I like where I am  
What I'm feeling  
What are we doing?  
Can you believe it?  
A starving actress and a starstruck boy  
Oh well, I might as well enjoy  
The moment She's warm, and she's wild  
And appealing  
I feel I know her  
Seeing is believing  
I never thought I'd be here  
Is this really real  
Or am I dreaming?  
No way of knowing  
Where this is leading  
It's fun forgetting who we are  
Who cares when now the world is far behind us? Seeing is believing  
My life is just beginning  
We touched and my head won't stop spinning  
From winning your love
