

# Someone Like You

## Boys Like Girls

I'm wearin' thin  
I couldn't tell you  
The city I'm in The streets and the buildings  
The places I've been  
Or where the star's goin' It's daylight again  
Or where the time went.  
Oh, who can save me now?  
My life in the rear view  
I'm running from Jesus  
Don't know where I'm goin' to.  
Got nothin' to lose, I'm fightin' my demons  
Been lookin' for someone like you  
I've been lookin for someone like you.  
So, sing me a song I know all the words to  
And I'll sing along  
Could you be my savior? Been out here too long  
And I've just been lookin' for somewhere to belong  
They'll be holdin on  
So, can you save me now?  
My life in the rear view  
I'm running from Jesus  
Don't know where I'm goin' to.  
Got nothin' to lose, I'm fightin' my demons  
Been lookin' for someone like you  
I've been lookin for someone like you.  
When the stars explode  
And I'm all alone  
When they start to see the smoke  
When I'm finally burnin' out  
I'll need someone to carry me home safe and sound.  
My life in the rear view  
I'm running from Jesus  
Don't know where I'm goin' to.  
But I got nothin' to lose, I'm fightin' my demons  
Been lookin' for someone like you  
My life in the rear view  
I'm running from Jesus  
Don't know where I'm goin' to.  
Got nothin' to lose, I'm fightin' my demons  
Been lookin' for someone like you  
I've been lookin for someone like you  
I've been lookin for someone like you.
