## Someone Like You

## **Boys Like Girls**

I'm wearin' thin I couldn't tell you The city I'm inThe streets and the buildings The places I've been Or where the star's goin'It's daylight again Or where the time went. Oh, who can save me now? My life in the rear view I'm running from Jesus Don't know where I'm goin' to. Got nothin' to lose, I'm fightin' my demons Been lookin' for someone like you I've been lookin for someone like you. So, sing me a songI know all the words to And I'll sing along Could you be my savior?Been out here too long And I've just been lookin' for somewhere to belong They'll be holdin on So, can you save me now? My life in the rear view I'm running from Jesus Don't know where I'm goin' to. Got nothin' to lose, I'm fightin' my demons Been lookin' for someone like you I've been lookin for someone like you. When the stars explode And I'm all alone When they start to see the smoke When I'm finally burnin' out I'll need someone to carry me home safe and sound. My life in the rear view I'm running from Jesus Don't know where I'm goin' to. But I got nothin' to lose, I'm fightin' my demons Been lookin' for someone like you My life in the rear view I'm running from Jesus Don't know where I'm goin' to. Got nothin' to lose, I'm fightin' my demons Been lookin' for someone like you I've been lookin for someone like you

I've been lookin for someone like you.
