Love Runs Out

OneRepublic

I'll be your light, your match, your burning sun I'll be the bright in black that's makin' you run

And we'll feel alright, and we'll feel alright

'Cause we'll work it out, yeah, we'll work it outI'll be doin' this, if you have a doubt 'Til the love runs out, 'til the love runs outI'll be your ghost, your game, your stadium

I'll be your fifty-thousand clapping like one

And I feel alright, and I feel alright

'Cause I worked it out, yeah, I worked it outI'll be doin' this, if you have a doubt 'Til the love runs out, 'til the love runs outI got my mind made up, man, I can't let go

I'm killing every second 'til it sees my soul

Oh, I'll be running, oh, I'll be running

'Til the love runs out, 'til the love runs out

And we'll start a fire, and we'll shut it down

'Til the love runs out, 'til the love runs outThere's a maniac out in front of me

Got an angel on my shoulder, and Mestopheles

But mama raised me good, mama raised me right

Mama said, "Do what you want, say prayers at night"And I'm saying them 'cause I'm so devout 'Til the love runs out, 'til the love runs out, yeahI got my mind made up, man, I can't let go

I'm killing every second 'til it sees my soul

Oh, I'll be running, oh, I'll be running

'Til the love runs out, 'til the love runs outAnd we'll start a fire, and we'll shut it down 'Til the love runs out, 'til the love runs outOh, we all want the same thing

Oh, we all run for something

Run for God, for fate, for love, for hate

For gold and rust, for diamonds and dust

I'll be your light, your match, your burning sun

I'll be the bright in black that's makin' you runI got my mind made up, man, I can't let go

I'm killing every second 'til it sees my soul

Oh, I'll be running, oh, I'll be running

'Til the love runs out, 'til the love runs outAnd we'll start a fire, and we'll shut it down 'Til the love runs out, 'til the love runs outI'll be your light, your match, your burning sun

I'll be the bright in black that's makin' you run

And we'll feel alright, and we'll feel alright

'Cause we'll work it out, yes, we'll work it outAnd we'll start a fire, and we'll shut it down
'Til the love runs out, 'til the love runs out

'Til the love runs out
