## **Cold Coffee**

## **Ed Sheeran**

She's like cold coffee in the morning
I'm drunk off last night's whisky and coke
She'll make me shiver without warning
And make me laugh, as if I'm in on jokeAnd you can stay with me forever
Or you could stay with me for nowAnd tell me if I'm wrong

And tell me if I'm right
Tell me if you need a loving hand
To help you fall asleep tonight
Tell me if I know
Tell me if I do

Tell me how to fall in love The way you want me to

I'll wake with coffee in the morning

But she prefers two lumps of sugar and tea Outside, the day is up and callingBut I don't have to be

So please go back to sleepAnd stay with me forever

Or you could stay with me for now

And tell me if I'm wrong And tell me if I'm right

Tell me if you need a loving hand

To help you fall asleep tonight

Tell me if I knowTell me if I do

Tell me how to fall in love the way you want me to Cause I love the way you wake me up For goodness sake will my love not be enough?

Tell me if I'm wrong Tell me if I'm right

Tell me if you need a loving hand

To help you fall asleep tonight

Tell me if I know

Tell me if I do

Tell me how to fall in love the way you want me to

Tell me if I'm wrong

Tell me if I'm right

Tell me if you need a loving hand To help you fall asleep tonight
