

# Paranoid

Lauv

Smile when you're sleepin'  
Wonder who you're dreamin' of  
Oh, 'cause I could just see you  
With wine on your t-shirt and somebody else on your arm  
Can't control this feelin'  
Wonder who you're dreamin' of  
After all of these nights, layin' right by your side  
How could my brain make me feel so far? Maybe it's a case of paranoia  
Nervous that I'll never really know you  
Why do I fear?  
Who do I trust?  
Maybe it's real, or maybe I'm just  
Paranoid  
Paranoid  
Maybe I'm just  
Paranoid  
Paranoid  
Maybe I'm just Never felt so naked  
Lookin' at you naked  
Got your hands down the back of my soul  
And the more that I show you, the more I'm afraid  
That you're gonna wake up and realize I'm not the one  
That I thought I was  
That I thought I was Maybe it's a case of paranoia  
Nervous that I'll never really know you  
Why do I fear?  
Who do I trust?  
Maybe it's real, or maybe I'm just  
Paranoid  
Paranoid  
Whoa  
Maybe I'm just  
Paranoid  
Paranoid  
Whoa  
Maybe I'm just Crazy  
But baby I love you  
Baby, I'd love to  
Might be  
Paranoid  
Paranoid  
I wish I wasn't

Paranoid  
But maybe I'm just
