

# Have You Ever

Brandi Carlile

have you ever wandered lonely through the wood?  
and everything it feels just as it should  
you're part of the life there, part of something good  
if you've ever wandered lonely through the woods  
ooooh

if you've ever wandered lonely through the woods. have you ever stared into a starry sky?  
lyin on your back you're askin' why?  
what's the purpose, I wonder who am I  
if you've ever stared into a starry sky  
ooooh, aaaah, aaooaaoh

have you ever stared into a starry sky  
have you ever been out walking in the snow  
tried to get back where you were before  
you always end up not knowing where to go  
if you've ever been out walking in the snow  
ooooh, aaaah, aaooaaoh, oooooh, aaooaaoh

if you'd ever been out walking, you would know
