Manhattan Skyline

a-ha

We sit and watch umbrellas fly I'm trying to keep my newspaper dry I hear myself say "My boat's leaving now" So we shake hands and cry Now I must wave goodbye, wave goodbye Wave goodbye, wave goodbye Wave goodbye, wave goodbyeYou know I don't want to cry again I don't want to cry again I don't want to say goodbye I don't want to cry again I don't want to run away I don't want to race this pain I'll never see your face again Oh but how How can you say That I didn't try? You see things in the depths of my eyes That may love's run dry NoWe leave to their goodbyes I've come to depend on the look in their eyes My blood's sweet for pain The wind and the rain bring back words of a song And they say wave goodbye, wave goodbye Wave goodbye, wave goodbye Wave goodbye, wave goodbye But you know I don't want to fall again I don't want to look this pain I don't want another friend I don't want to try again I don't want to see you hurt Don't let me see you hurt I don't want to cry again I'll never see your face againHow can you say That I didn't try? You know I did You see things in the depths of my eyes My love's run dry I don't want to cry again So I read to myself
