

Ascension Day

Talk Talk

Bet I'll be damned
Built the debt
I turned 2's up today
Bet I'll be damned
Gets harder
to sense to sailFarewell Fare well
Mother numb to & devout to
Reckon luck sees us the same
Weighted my hand
Kill the bet
I'll burn on judgement day
Weighted my hand
Get hard hit to sin to sailFarewell fare well
Mother numb to and devout toDouble deal
A season wrapt
Too lax to lapse so soon
Reckon luck sees us the same
Bed on my back
Dealt my hell
I've dealt my months of May
Bed on my back
Get parted ascension dayFarewell fare well
Mother numb to and devout to Reckon luck sees us the same
Reckon love deals us the same
