Colder Weather

Zac Brown Band

She'd trade Colorado if he'd take her with him Closes the door before the winter lets the cold in, And wonders if her love is strong enough to make him stay, She's answered by the tail lights

Shining through the window paneHe said I wanna see you again

But I'm stuck in colder weather Maybe tomorrow will be better

Can I call you then

She said you're ramblin' man

You ain't ever gonna change

You gotta gypsy soul to blame

And you were born for leavin'

At a truck stop diner just outside of Lincoln,

The night is black as the coffee he was drinkin',

And in the waitress' eyes he sees the same 'ol light a shinin',

He thinks of Colorado

And the girl he left behind inHe said I wanna see you again

But I'm stuck in colder weather

Maybe tomorrow will be better

Can I call you then

She said you're a ramblin' man

You ain't ever gonna change

You got a gypsy soul to blame

And you were born for leavin' (born for leavin')

Well it's a winding road

When your in the lost and found

You're a lover I'm a runner

And we go 'round 'n 'round

And I love you but I leave you

I don't want you but I need you

You know it's you that calls me back here babyOh I wanna see you again

But I'm stuck in colder weather

Maybe tomorrow will be better

Can I call you then

Cause I'm a ramblin' man

I ain't ever gonna change

(I ain't ever gonna change)

I gotta gypsy soul to blame

And I was born for leavin' (born for leavin') And when I close my eyes I see you

No matter where I am

I can smell your perfume through these whispering pines

I'm with your ghost again

It's a shame about the weather
I know soon we'll be together
And I can't wait till then
I can't wait till then
