

# Easy Street (feat. Jim Bianco & Petra Haden)

## The Collapsible Hearts Club

We're on easy street  
And it feels so sweet  
Cause the world is bout a treat  
When you're on easy street  
And we're breaking out the good champagne  
We're sitting pretty on the gravy train<sup>2</sup>  
And when we sing every sweet refrain repeats  
Right here on easy street  
It's our moment in the sun  
And it's only just begun  
It's time to have a little fun  
We're inviting you to come and see why you should be  
On easy street  
Yea we got a front row seat  
O, to a life that can't be beat  
Right here on easy street  
It's our moment in the sun  
And it's only just begun  
It's time to have a little fun  
And we're inviting you to come and see why you should be  
On easy street  
Yea we got a front row seat  
O, to a life that can't be beat  
Right here on easy street  
Cause the world is bout a treat  
When you're on easy street Cause the world is bout a treat  
When you're on easy street
