

# Too Much 21st Century

## Bauhaus

There outta be  
Something better A better singer  
A better actor  
Better job Better money  
Better get her  
Better lover  
Better not Too much luck  
Too much conceit  
Give me one religion  
It's too much  
Too much  
Passing information Too much selfish  
Too much fake  
Too much computer  
Too much to take  
It's too much Too much effort  
Too much, kid  
Too much control  
Control  
It's too much Bet you want to  
Be something better  
A better singer  
A better actor  
Better job  
Better money  
Better got her  
Better love her  
Better not Ready?  
A better human It's too much  
It's too much  
Oh, yeah
