

Too Much 21st Century

Bauhaus

There outta be
Something better A better singer
A better actor
Better job Better money
Better get her
Better lover
Better not Too much luck
Too much conceit
Give me one religion
It's too much
Too much
Passing information Too much selfish
Too much fake
Too much computer
Too much to take
It's too much Too much effort
Too much, kid
Too much control
Control
It's too much Bet you want to
Be something better
A better singer
A better actor
Better job
Better money
Better got her
Better love her
Better not Ready?
A better human It's too much
It's too much
