

# Out of Mind

Tove Lo

Lovers, into friends  
Move on, to strangers  
Let go, no more us  
Move on, I'm trying Denying  
Saying "Time will heal"  
Keep lying  
To make me feel I'm okay  
So you believe  
I forget you  
Seriously Really... Are you kidding me?  
You're out of your  
You're out of your  
You're out of your mind  
To think that I  
You're out of your  
You're out of your  
You're out of your mind  
To think that I  
To think that I can  
Keep you out of mind  
Happy, used to be  
Together, you and me  
Things die, drift apart  
Wait for, a new start Denying  
Think you'll fade away  
Keep lying  
I can hear you say  
"You're in touch with Reality"  
Mm baby I say Are you kidding me? You're out of your  
You're out of your  
You're out of your mind  
To think that I  
You're out of your  
You're out of your  
You're out of your mind  
To think that I  
To think that I can  
Keep you out of mind  
How can you say  
I'll be alright?  
What makes you think  
That I'll be fine? Baby you have to be

Completely out of your  
You're out of mind  
To think that I can keep you  
Out of mind oh You're out of your  
You're out of your  
You're out of your  
You're out of your mind  
Tot think that I  
You're out of your  
You're out of your  
You're out of your mind  
To think that I  
To think that I can keep you  
Out of mind You're out of your mind  
Ooh-oh Ooh  
You're out of your mind  
Ooh-oh ooh  
You're out of your mind  
To think that I  
To think that I  
To think that I  
To think that I can keep you  
Out of mind
