

Have Yourself a Merry Little Christmas

Daniela Andrade

Have yourself a merry little Christmas
Let your heart be light
From now on my troubles will be out of sight
Have yourself a merry little Christmas
Make the Yuletide gay
From now on my troubles will be miles away
Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
They gather near to us once more
Through the years we all will be together
If the fates allow
Hang a shining star upon the highest bow
And have yourself a merry little Christmas
Have yourself a merry little Christmas
Have yourself a merry little Christmas now
