Baby here I go again(Verse 1)

you said you hated me

(But I keep coming back)

treated me ungratefully

(But I keep coming back)

you didn't appreciate me

(But I keep coming back)

you said you never loved me

(But I keep coming back)

People told me to leave you alone

(But I keep coming back)

crazy messages on my phone

(But I keep coming back)

O tell me where I went wrong

to make these feelings so strongBaby here I go again

(Verse 2)

(to make me feel like this)

was it the way you walk

(to make me feel like this)

was it the way you talk

(to make me feel like this)

was it the way you kiss

(to make me feel like this)

was it the way you love

(to make me feel like this)

was it the way you hug me

(to make me feel like this)

O tell me were I went wrong

to make these feelings so strongBaby here I go again(chorus)Back to ya girl

cuz you know I need your loving

(you know I do)

I cant keep running away

from all this kissin' and huggin'  
(I don't know why)  
I keep coming back  
to all this love and hate  
am I crazy  
have I lost myself  
is this a sinBaby here I go again(Verse 3)  
I gave you all of me  
(give up you know I did)  
I gave you everything  
(give up you know I did)  
even that diamond ring  
(give up you know I did)  
it didn't mean a thing  
(give up you know I did)  
what about them shopping spree  
(give up you know I did)  
the trips over seas  
(give up you know I did)  
O tell me where I went wrong  
mMmMmMm babyBaby here I go again  
ya ya ya(here I go again)  
in spite of yesterday  
(here I go again)  
back with you today  
(here I go again)  
I don't understand  
(here I go again)  
why im tryin' to be your man  
(here I go again)  
baby girl tell me  
(here I go again)  
O tell me where I went wrong  
to make these feelings so strongBaby here I go again(chorus)Back to ya girl  
cuz you know I need your loving  
(you know I do)  
I cant keep running away  
from all this kissin' and huggin'  
(I don't know why)  
I keep coming back  
to all this love and hate  
am I crazy  
have I lost myself  
is this a sinO don't you try to judge me  
I know you've been  
in these shoes before  
can somebody tell me  
tell me if im losing  
my mind for sure

oOoOoOoBaby here I go again(chorus 2)

Back to ya girl

cuz you know I need your loving

(you know I do)

I cant keep running away

from all this kissin' and huggin'

(I don't know why)

I keep coming back

to all this love and hate

am I crazy

have I lost myself

is this a sinBaby here I go again
